Part A (Continued) - INMATE REQUEST

The other officer said this search is random and he asked me whether I had any contraband and handcuffed my hands behind me and coerced only me to sat down in front my assigned general population prison cell while concomitantly, the officer in the Building Control Center Mr. Adazouco II kept insinuating that I was resisting refusing to exit the cell a tactic by design to provoke my beating by use of physical force.

Moreover, I AM singled out solely because of my past imposed condition of servitude from approximately 50 prison cells of double occupant capacity for a strip search of my body, ADOSENT ANY CLEAV AND PRESENTLY DANGEROUS CIRCUMSTANCES. I HAVE BEEN HERE ONE MONTH! I HAVE NOT BEEN ABLE TO GET TO SEE A LIEUTENANT OR UNITED STATE DEPARTMENT OF JUSTICE CIVIL RIGHTS DIVISION.

To sign this complaint

Pursuant to 28 U.S.C. Section 1746, and 18 U.S.C. Section 162, I, Nicholas Wayne Jones, being age 50 and competent to give evidence and participate in judicial proceedings, declares and affirms the truth of the foregoing facts upon personal knowledge and perjury.
